GOLF OUTINGS & TOURNAMENTS

The Golf Club at WindRiver is one of the most unique outing and tournament venues in East Tennessee, offering an array of turnkey services and amenities that your players will be talking about for months after the event. From initial planning for the event, up until the final scoring, our professional staff will attend to every detail ensuring that everyone has an enjoyable experience.

Standard Services Include

- Custom cart labels, rule sheets, team pairings, professional scoreboard and scoring.
- Complimentary registration table and chairs. Complimentary use of the practice facility for all players.
- Registration table for guest check-in.
- Custom merchandise package.
- Escorting the golfers to their respective starting holes.
- Beverage Cart Service.

Booking an event at WindRiver is easy, simply complete the outing information request form and our Tournament Coordinator will follow-up to help assist in creating the perfect outing. Events may be booked 7 days a week for groups as small as 20 and larger events with up to 144 players.

Ask About These Special Services

Marketing Assistance – The Golf Club at WindRiver can help market your event to our database of over 5,000 local area golfers.

Event Micro Site – WindRiver can host a custom web page with unique URL (www.windriverliving.com/your-event, for example). Your players can go to this page and find out all the details related to your event.

Creative Course Set-up and Contests – In addition to the standard on-course contests, WindRiver also offers creative options including cutting multiple holes in a green, elaborate putting contest, oversized cups, blind targets, roll the dice and much more.

Concierge Bag Service – Taking care of your players is our highest priority. As the players arrive, they are greeted by a tournament professional who will provide the player with their starting hole, location of registration and each player is given all the information they need to know about the activities leading up to the start of the event. The player's golf bags are taken and transported to their designated golf car. Players are then shuttled to our staging area with beautiful views of Tellico Lake, the Smoky Mountains and the golf course.

Catered Food Options – Events can choose from our classic golf outing menu or create their own with the assistance of the culinary team at Citico's Restaurant. Meals are served under our beautiful and spacious patio overlooking the golf course and Tellico Lake.
